Our Christian Vision at Quinton Church Primary School

This policy is embedded in our school's vision: Fullness of life for all, through working together with the love of Christ.

At Quinton Church Primary School, we believe that everyone should have life in all its fullness. Therefore, our aim is for everyone to be part of our Christian community where everyone is happy, safe and supported, feels loved and demonstrates kindness; understands justice and shows fairness to all; and receives high quality education and is empowered to live life to the full (John 10:10).

In our diverse community life - in the classroom, playground, staff room, and the wider community- our core life is one set on the belief that we are created by and in the image of a generous, loving and creative God who has justice for all at the origin of His being. We are humans created equally by this loving God whose desire for us is to experience life in all its depth and complexity, as well as to reach our full potential.

It is because of who God is that drives our whole school to seek the development of a community that is distinctive in its Christian core. In every part of the school experience, we want everyone to be happy, safe and supported, feeling loved and valued, experiencing fairness and equality, just as God has demonstrated this to us through the living example of his son, Jesus Christ.

As a school we are inspired by the instruction in Micah 6:8 "The LORD has told us what is good. What He requires of us is this: to do what is just, to show constant love, and to live in humble fellowship with our God."

Therefore, we will aim to demonstrate and encourage a life that understands justice and shows fairness in every circumstance; shows love to all, demonstrating kindness in every way; and living in recognising God in each other and in our community.

To support our vision, we have three overarching Christian Values: Be kind, Be fair, Be thankful.

Fullness of life for all, through working together with the love of Christ.

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the Headteacher, who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost or long-lasting items
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability

- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Ongoing breaches of our uniform policy will be dealt with via the school's behaviour policy.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Local Academy Board

The Local Academy Board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Considers the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

6. Monitoring arrangements

This policy will be reviewed annually by the Headteacher/Local Academy Board. At every review, it will be approved by the Local Academy Board.
